## Celebration Season

Our time to celebrate our history at St. John's is fast approaching! Be sure to set aside time and make your reservation to be part of it!

On Saturday, October 25<sup>th</sup>, we are planning a worship service for 4:00 p.m. Our service will blend aspects of our Pennsylvania Dutch and German Reformed history with a theme of thanksgiving for God's faithfulness in the life of our church. The service will be followed by a dinner in our social hall. This event will be a catered one; we chose that option so that none of us has to be involved with food preparation or serving for this special event. The menu will feature roast beef, stuffed chicken breast, and accompanying dishes and salads, served family style. The cost of the dinner will be \$15 a person; however, we do not want the cost to be a factor in anyone not being able to attend. If the cost of the dinner provides a hardship for anyone in the congregation, please contact Pastor Tony or Joe Ditzler to secure help from our Deacon's Fund. Reservations for the dinner must be made by **Sunday, October 19<sup>th</sup>**.

Following the dinner, we will have a program in the social hall focusing on our history. We have some ideas for bringing the history of our church to life, and we will be asking people to help us with this project. We want to end the evening with a viewing of our oral history project, bringing our story right up to the present day.

The following morning, our worship will look toward St. John's future, as we celebrate the installation of Pastor Tony. This special service will be followed by a cake and punch reception in the social hall.

AS you can see, this will be a memorable time in the life of our church. Save this time on your calendar and plan to be part of our celebration – you won't want to miss it!

### Consistory News by Joe Ditzler, Consistory President

Where have all the aluminum tabs gone? You may have noticed that the jar of aluminum can tabs in the sanctuary has recently been emptied. Those tabs were taken to the Ronald McDonald house in Hershey. They are collected as a fundraiser for that charity. St. John's contributed two large containers of the tabs and the folks at the Ronald McDonald house say thanks. This project has been on-going since 1996 and a total of about 234 tons of aluminum (656,600,000 tabs) have been collected. That equates to over \$198,000.00 being raised. So St John's, keep enjoying those canned beverages and remember to save the tab. Thanks to Karen Light for getting our congregation involved in this worthwhile project. Trivia question: Think you know the benefit of saving aluminum can tabs instead if the cans themselves? Give your answer to Julie Ditzler. First person to answer correctly wins a \$5.00 gift card to McDonalds.

During October we will be participating in the Neighbors in Need collection, a special mission offering of the UCC that supports ministries of justice and compassion throughout the United States. One-third of Neighbors in Need funds supports the Council for American Indian Ministries. Two-thirds is used by the UCC's Justice and Witness Ministries to support a variety of justice initiatives, advocacy efforts, and direct service projects. Envelopes for this special offering will be available in the pews on Sunday, October 5, and Sunday, October 12. Please support this effort.

By the time you receive this newsletter, the sanctuary renovation project will probably be completed. On behalf of the Consistory, I would like to thank everyone who in any way helped with this project. I think we can all agree that this was a necessary project to maintain the upkeep of our building, and these projects are only possible as long as we have congregation members who are willing to help. Thanks for being willing to lend a hand.

## PASTOR TONY'S MESSAGE

Congregational life is a gift from God and can promote spiritual growth and maturity in its participants. Seldom do we realize that our presence speaks volume. Therefore I invite you to consider your "space" and realize you are important "in" and "to" our congregational life.

Encourage One Another  
Joel Stephen Williams

In a revival meeting in a village church, many had made professions of faith. Toward the end of the series of meetings, the visiting preacher made a request of everyone present: "Is the person here who most influenced you in becoming a Christian? Maybe it is your mother or your father, your Sunday school teacher, your minister, or your neighbor. I wish that each of you would now rise and go and shake hands with the one who most influenced you to follow Christ."

All over the church auditorium people went to one another and encouraged one another by saying: "Thank you." Many went to parents. Others went to Sunday school teachers. Some went to the preacher. Yet others went to the Sunday school director. The longest line, though, formed in front of a woman in her late 70s. She had never taught

a class or filled any prominent role in the life of that congregation, but for many decades her quiet life of consecration had touched more people than anyone else. In worship, in her home, and in the community, she had led many to Christ.

It is the power of example of a godly life which may convert a mate when sermons from the preacher will not do any good (1 Pet. 3:1-4). It is the consistent acting out of faith by a parent which can be the most powerful influence on a child. Maybe you do not have the ability to be a great song leader. Maybe you do not feel like you can take on the responsibility of being a teacher (Jas. 3:1). Maybe you will never serve in a prominent role in the church. But none of these are a cause for concern. If you live a faithful, devoted life of service to the Lord, you will have a wholesome influence on all of those around you.

Let us all take advantage of opportunities to encourage those who have been a good influence on us in our lives.

## St. John's Fellowship by Ginny Knapp

Future activities highlighted the meeting of St. John's Fellowship. Priscilla Rentschler, President, opened the meeting with an Autumn Prayer.

In October, the group will auction two Longaberger baskets. Our annual Cedar Haven holiday party is scheduled for November. Plans to hold a Christmas dinner were also discussed.

Last minute details were taken to insure a successful Fall Flea Market and Bake Sale. This event will be held Friday, September 19th and Saturday, 20th.

Anniversaries noted were Neal Grimes, birthday, and Larry & Louise Walmer's wedding Anniversary. As you can see we have much work ahead of us. Can't you lend a hand to support our work for the church? Our next meeting is Tuesday, October 21st at 7:00 PM. Will we see you there?

## VIDEO PROJECT

As part of our anniversary celebration, we would like to compile an oral history for generations to come. Using the prompts that have appeared in our church bulletin, we are hoping that many of you will want to share your thoughts on your part in St. John's story. We will be taping during the first part of October so that we have some time to prepare the final product for showing as part of our anniversary program on Saturday evening, October 25<sup>th</sup>. If you would like to be part of this project, but have not had the opportunity to sign up for a taping time, please contact Julie Ditzler or Angela Michael.

## Confirmation Classes

We are beginning our confirmation journey with Jason Eberhart. We are inviting others to participate. Affirming ones faith is important. This is a special time for our congregation as "OUR" confirm begins his journey. We extend an open invitation to all who wish to journey with us.

Pastor Tony

### Operation Christmas Child by Julie Ditzler

It's that time of year again – time to fill our shoeboxes with treats for children all around the world! This year we are going to use a slightly different method to collect our donations. There will be a poster hanging in the social hall listing all the categories for the things we put into our boxes – hygiene items, school supplies, toys, accessories, candy – with suggestions in each category. Inside the category envelope will be a specific item and the number we need for our project; i.e., 5 toothbrushes, that you can take with you and purchase sometime during our donation period. We will no longer have specific Sundays designated for the different kinds of donations. This way you can do your shopping with a more specific list whenever it is convenient for you. Items will be gathered at the church in the large decorated box in the vestibule. All donations must be available at church by Monday, November 10<sup>th</sup>.

There will also be envelopes in the pews designated for monetary donations to support our boxes. The donation for each box is set at \$7.00. You can sponsor a box with cash, or by a check made out to St. John's with "OCC" on the memo line.

Our packing party will take place the morning of November 16<sup>th</sup> during Christian Connection time. As always, there will be music, food, and fun as we prepare our boxes for shipment. Mark your calendars – come and join us! The boxes will be blessed during morning worship on November 23<sup>rd</sup>, and will be taken to the processing center in Ono after church.

Plan now to be part of this ministry, where simple gifts change lives!
