

Sponsor a Student in the NL School District Back to School Initiative

The Northern Lebanon Ministerium is looking for financial sponsors for the 257 students identified by our school district as needing clothing and school supply assistance. With your help, each of these students will receive new jeans, new sneakers, a new back-to-school outfit, new underwear and socks, and a new backpack filled with necessary school supplies at a special Back to School Blessings event in August. *By equipping students, physically, with what they need for the school year, we help empower them, mentally, to begin a new year with confidence.* Your sponsorship is truly an investment in children's lives and futures!

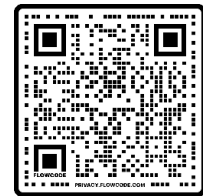

It costs about \$100 to fully equip an elementary student for the start of the new school year, and about \$125 to prepare a middle or high school student. However, **financial gifts of any amount are greatly appreciated.** When every person gives what they can, we, collectively, can move mountains. ***Thank you for your support.*** We truly can't do this important work without the help of generous people like you.

Blessings –
